ProPlus™ Production Harness

The ProPlus™ Production Harness is an economic, general purpose, full-body fall arrest harness. The ProPlus™ Production Harness features a 2" steel dorsal ring; large enough for Self-Retracting Device (SRD) or lanyard attachment and rescue simultaneously and steel hip D-rings for restraint and work positioning. This harness is ideal for production companies, producing organizations, educational institutions, etc. with multiple user requirements in indoor and outdoor venues.

Meets current OSHA requirements and ANSI/ASSE Z359 Standards
