Safety Programs

Sapsis Rigging provides the most comprehensive safety program in the entertainment industry.

Safety Inspection Services

Our inspectors are ETCP certified riggers who will inspect the stage area, front of house and wherever else you have performance equipment.

Safety Training

We offer comprehensive training for schools, companies, organizations and theatres in Rigging, Fall Arrest and Rescue Procedures. Classes are one, two, or three days in length.

Fall Arrest / Fall Protection Programs

For over 40 years we have been providing system design, equipment, and installation in performance venues.

Rescue Plans & Equipment

We develop Rescue Plans and provide Rescue Equipment to protect your technicians when an accident occurs. Our Rescue Plan programs meet or exceed OSHA requirements and ANSI Standards.

Equipment Maintenance Plans

We provide plans to help keep your rigging systems running safely and efficiently.
