## ProPlus™ X-Over Harness

The ProPlus™ X-Over Harness is a general purpose, full-body fall arrest harness for use by entertainment technicians working at height. The harness features a 2" steel dorsal ring, allowing for SRL or lanyard attachment and rescue. It is comfortable and easy to adjust, making it ideal for both single and multiple user situations. This harness is ideal for everyday use in indoor and outdoor environments.

Meets current OSHA requirements and ANSI/ASSE Z359 Standards
